1. The first of these is the fact that the Commission has not yet received any information from the Government of the United States regarding the activities of the Committee for the Liberation of the Americas (CLA) in the United States. The Commission is deeply concerned by the fact that the CLA has been active in the United States for many years and has been able to obtain the support of a large number of American citizens. The Commission is also concerned by the fact that the CLA has been able to obtain the support of a large number of American citizens. The Commission is also concerned by the fact that the CLA has been able to obtain the support of a large number of American citizens.
